

I could not have asked for a better Pinto World with Jackson and Rose this past June. There were some unforeseen transitions a month before the show. However, by the time we got to Tulsa things fell into place very smoothly. My plan with Jackson was just to have fun. It was one of the best World shows I've ever had with him. I set small goals before each class to be prepared. I wanted to stay calm and focused in the show pen and to try to give him clear signals. I did and he responded well. We showed in 12 classes. We placed in the top 10 in 10 of the classes, including one unanimous world

championship in Senior Amateur Western Trail and Reserve World Championships in Senior Amateur Ranch Riding and Senior Amateur Western Showmanship.

It was Roses first trip to the Pinto World Show. She was shown in the open classes by her breeder Brent Harnish. I showed her in the Amateur Western Rail classes. Her movement was beautiful and as the days went on she got more and more comfortable in the show atmosphere.

Both horses have taught me so much as a veterinarian, competitor, and how to trust in the good Lord above. I want to thank Jess Bergantzel, Carla Hinton and Cheyenne Flory for all their hard work helping me prepare Jackson and Rose. I enjoy showing and spending time with my horses. Time spent with them helps me treat my clients animals better and I learn from my clients animals to better treat Jackson and Rose.
